Language - The Expression Of My Soul

Date and Time: Tuesday, September 14 11:00 am

Address: Virtual Event

This 16-minute documentary was produced by students in the LINC for Youth Video Project at Mohawk College. They were inspired to investigate the importance of keeping first languages alive by what they had seen with children in their families growing up in an English-dominant society. In working on this documentary, they came to understand that languages can be lost, and they saw what has happened to Indigenous languages through policies such as residential schools and the Sixties Scoop. They learned about efforts to maintain languages and what they can do to keep their first languages alive in their families and cultures.

HHW - Clean Harbors Facility - 9am-2pm

Date and Time: Saturday, September 25 9:00 am - 2:00 pm

Address: Clean Harbours Canada, 4090 Telfer Road, St. Clair Township, ON

The County of Lambton, in conjunction with Clean Harbors Canada Inc., hosts several HHW collections events each year. The events give Lambton County residents an opportunity to properly dispose of potentially dangerous waste from their homes and protect our environment at the same time. If hazardous products are thrown in with the regular garbage, it can injure sanitation workers and cause long-term environmental problems.

HHW Days take place at the Clean Harbors Canada Inc. site, 4090 Telfer Road in St. Clair Township the last Saturdays of March, April, May, June, September, and October.

Bring your household derived hazardous wastes to the special depot, and it will be dealt with by experts, ***at no cost to you!***

For details of what waste is accepted and not accepted, please read the attached Household Hazardous Waste flyer.
