**2020 PROGRAM CHANGES**

The events scheduled for March, April, and May of this year were cancelled due to concerns surrounding the ongoing COVID-19 pandemic. Given these cancellations, the County of Lambton and Clean Harbors expect these next two events will be very well attended. In an effort to reduce wait times, we ask that residents, if possible, to select their event date based on their residential address as outlined below:

- Saturday, June 20 - all residents with an odd numbered residential address;
- Saturday, June 27 - all residents with an even numbered residential address;

Additionally, in light of the ongoing COVID-19 pandemic, event attendees are asked to follow physical distancing protocols, including the following:

1. Package materials in disposable containers (i.e. cardboard boxes) as they will not be returned;
2. Place materials in the trunk or back of their vehicle to maximize distancing for event staff when collecting items; and
3. Remain in their vehicle at all times, as event staff will be removing materials from their vehicle.

**ALSO ACCEPTED:** Sharps (Hypodermic Needles)

**NOT ACCEPTED:** PCB's, commercial, industrial or radioactive wastes, tires, explosives (flares, ammunition), electronics.

**PLEASE NOTE:** For safety reasons, residents are asked to segregate lithium batteries from all other battery types prior to drop-off.
