Housing and Homelessness Plan Update Community Consultation Session - VIRTUAL

Date and Time: Wednesday, March 4 6:00 pm - 8:00 pm

Address: Virtual Meeting - Microsoft Teams

The Social Services Division is updating the County's 10 Year Housing and Homelessness Plan to guide local decision-making and set clear goals that will help address urgent housing and homelessness needs in our community.

To help inform these changes, we're collecting public input and perspectives on housing and homelessness throughout the County of Lambton.

The County is working with OrgCode Consulting Inc. to host public consultation sessions - both in person and virtually - to gather community input that will help shape housing and homelessness priorities over the next ten years.

Residents are encouraged to attend and share their perspectives. The link to the virtual session will be provided following registration.

Household Hazardous Waste Collection

Date and Time: Saturday, March 28 9:00 am - 2:00 pm

Address: 4090 Telfer Road, St. Clair Township

The County of Lambton, in conjunction with Clean Harbors Canada Inc., hosts several HHW collections events each year. The events give Lambton County residents an opportunity to properly dispose of potentially dangerous waste from their homes and protect our environment at the same time. If hazardous products are thrown in with the regular garbage, it can injure sanitation workers and cause long-term environmental problems.

HHW Days take place at the Clean Harbors Canada Inc. site, 4090 Telfer Road in St. Clair Township in March, April, May, June, September, and October.

Bring your household derived hazardous wastes to the special depot, and it will be dealt with by experts, ***at no cost to you!***

For details of what waste is accepted and not accepted, please read the attached Household Hazardous Waste flyer below and visit the [Household Hazardous Waste page](#) on our website.
