2023 Budget Deliberations

Lambton County Council went into the 2023 Budget Session.

Larry Palarchio, General Manager, Finance, Facilities and Court Services provided a brief overview regarding the process to be followed.

Council commenced the 2023 budget process with staff reports referred to Budget and then reviewed the budgets for each Division. Council made resolutions on an exception basis as recorded in the attached minutes dated Wednesday, March 1, 2023, specifically motions number (1-7) therein.

Notice of Motions

Councillor Loosley gave <u>Notice of Motion</u> dated March 1, 2023 regarding the inclusion of actuals in the budget presentation. Councillor Loosley is seeking Council's consideration at the April 5, 2023 Lambton County Council meeting on the following motion:

WHEREAS annually, when receiving the proposed County of Lambton Budget, the documents provided do not include imperative information from the previous years, as we are not provided actual amounts on the Analysis on the Tax Base- Combined and total comparison.

AND WHEREAS as members of County Council making important decisions of financial planning, without receiving the actuals from the previous year, it is difficult to understand the financial picture we are deciding on, as we are being asked to approve a proposed next year budget without comparing amounts to the actual expenses of the previous year.

NOW THEREFORE IT BE RESOLVED that beginning with the 2024 budget and forward, a line be included to show the actuals of the previous year. It would be recommended that this information be placed between the previous year budget amounts and the proposed year budget amount and anywhere else deemed necessary.

By-Laws

#2: Boushy/Atkinson: That By-Laws #9 and #10 of 2023, as circulated and amended as applicable, be taken as read a first and second time.
